History of the Moose

Concord Lodge #1374 L.O.O.M. was instituted on July 20, 1913.

Space will not permit a detailed history of our fifty years as an organization.

From its institution until 1939 Concord Lodge met in various halls in Concord.. By this year interest in Concord Lodge had declined to where there were only 73 members.

At a meeting held in January 1939 it was voted to conduct a membership drive and to obtain a lodge home. On September 1, the new home was opened. This home was rented the first year. In 1940 it was purchased from the Gulf Oil Company for \$3,000. Our continued growth coupled with good management enabled us to burn this mortgage November 19, 1944.

In April of 1946 the "Rufo-Drew Hall" was dedicated in memory of two of our members who gave their lives in World War II. To build this Hall \$30,000 was borrowed from the bank. With shrewed management and close cooperation by every one this mortgage was burned on April 17, 1955. From time to time many improvements have been made to the home.

This would not be a true story of success unless we recognize the Women of the Moose who have been a great help in so many ways to bring about our success.

We are very proud of the fact that three of our present members have a continuous membership of fifty years each—Michael Annicchiarico, J. A. Johnson and Dennis Labbee. Six other members have more than thirty years of continuous membership.

At the present time we have 56 members in the Legion of the Moose, 22 are Fellowship degree members while the following have been awarded the Pigrim Degree:

Kenneth Clarke	Edward Perriello
John Erian (deceased)	Thomas Tobin

We have 23, 25 Club Members:

2 with 100 members	3 "	50 members
1 " 75 members	10 "	25 members

7 deceased with 25 more members accounting for 850 members

Concord Lodge wishes to thank all the other lodges of Northeast who have so willingly cooperated with us in the past.
